International Gathering

New Zealand, Holland, Germany, Australia, Scotland, England.. oh yes, Canada & United States. Want to share stories, learn new skills, hear about 'what's up' elsewhere? This is the right place.

Visit Toronto

Reported to be the most cosmopolitan city in the world.. what WE can tell you is there is a lot of good food.. and more. Great theatre, music, jazz, night life... You can find it all in Toronto.

Tom Kohler

Citizen Advocacy has remarkable stories to tell. Tom is a story teller. You need to meet him. He reminds us that miracles are possible one person at a time, with relentless hard work.

Inclusive Education: To DO.. or Not.. Gary Bunch & A Valeo

NEW book emerging - on the state of inclusive education in 7 countries. Meet several authors. At TSI, Gary Bunch and Gero Leyden (UK) will be leading sessions.

John O'Brien

Come and spend time with John O'Brien - as he explores the complexity of our work in learning to live together... John is 'Making a Difference'. Meet the thinker, and listen deeply to challenging questions.

Wayne Helgason Glen Cochrane

Learn about Leadership in First Nations communities. Spend time with leaders who are 'doing it' with relentless spirit, enormous creativity and a vision of the future.

Build your Networks

Make new friends; expand your network to the world; discover that you are not alone; learn new skills; make you own MAP or PATH.. There are many good reasons to come to the Toronto Summer Institute, but eating and learning with friends are really good reasons we all understand.

Come and meet **Judith Snow** as she continues to shatter boundaries of possibility and expectation.

John McKnight is back

Since the beginning years,

Create YOUR own learning Agenda in our Learning Marketplace

climbing hills at McGill in Montreal, John has been a foundation for the Summer Institutes. He still is. We have all aged, but his ideas and commitment are fresh, lively and challenging. You need a 'dose' or a 'refresher' of McKnight. Everyone does. And get 'more' with Mike Green & Lois Smidt.

Where to Go..

Below you will find links for the Ryerson University MAP. Click on Pitman Hall and you will find us at TSI08. There are also a couple of links for 'eating in Toronto'. You can eat in virtually any country in the world somewhere in the city - so come prepared to explore.. the world with us this summer.
