## Join the Inclusion Conversation...

We will gather a remarkable array of possibility thinkers who will think together, explore, dream, work to figure out how to create the future we want - not the future we are handed.. Join us..

**John O'Brien \*  
Connie Lyle O'Brien**  
Come and spend time with John & Connie as they explore the complexity of our work in learning to live together... John is 'Making a Difference'. Meet the thinker, and listen deeply to challenging questions.

**Mike Green**  
One of the leaders in ABCD - Asset Based Community Development, Mike will be exploring the intersection between ABCD, inclusion and the U-process. You will leave inspired to act..

**Inclusive Education Day - Tuesday July 13**  
- with Gary Bunch, Gerv Leyden and more.. Authors and contributors to **Inclusive Education: Emergent Solutions** - will explore the state of inclusive education at TSI. Come and explore the future.

**Wayne Helgason  
Glen Cochrane:**  
Learn about Leadership in First Nations communities. Spend time with leaders who are 'doing it' with relentless spirit, enormous creativity and a vision of the future.

**John McKnight**  
We have the privilege of being refreshed by John's wisdom and eloquence every year. John describes the Institute as a 'peak experience' - and his presence contributes greatly to why it is so remarkable.

## Join the Inclusion Conversation: Renew & Strengthen Networks where Everyone Belongs.

Make new friends; expand your network to the world; discover that you are not alone; learn new skills; explore facilitation, graphics, and listening practices underneath Person Centred Planning approaches including Circles, MAPs and PATH. There are many good reasons to come to the Toronto Summer Institute, including thinking, eating and learning with friends.

**Create YOUR own learning Agenda  
in our Learning Marketplace  
You decide what YOU want to learn or share!**

A remarkable cast of co-creators will include **Judith Snow; Tom Kohler** telling stories of inclusion; **Alan Sloan** helping us to be present through Mindfulness. **Erwin Weiringa, Jack Pearpoint, Lynda Kahn** - and more...

## Where to Go..

Below you will find links for the Ryerson University MAP. Click on Pitman Hall and you will find us at TSI2010. There are also a couple of links for 'eating in Toronto'. You can eat in virtually any country in the world somewhere in the city - so come prepared to explore.. the world with us this summer.
