Join the Inclusion Conversation...
We will gather a remarkable array of possibility thinkers who will think together, explore, dream, work to figure out how to create the future we want - not the future we are handed.. Join

John O'Brien
Connie Lyle O'Brien
Come and spend time with John & Connie as they explore the complexity of our work in learning to live together... John is 'Making a Difference'. Meet the thinker, and listen deeply to challenging questions.

Mike Green
One of the leaders in ABCD - Asset Based Community Development, Mike will be exploring the intersection between ABCD, inclusion and the I-process. You will leave inspired to act..

Inclusive Education Day - Tuesday July 10
with Gary Bunch, Gerv Leyden and more... Authors and contributors to **Inclusive Education: Emergent Solutions** - will explore the state of inclusive education at TSI. Come and explore the future.

Judith Snow
Come and meet Judith Snow - artist, author, advocate who is presently featured in an exhibit in the ROM. Read her new book: 'Who's Drawing the Lines?' Come and explore BMX with Judith

John McKnight
We have the privilege of being refreshed by John's wisdom and eloquence every year. John describes the Institute as a 'peak experience' and his presence contributes greatly to why it is so remarkable.

Join the Inclusion Conversation: Renew & Strengthen Networks where Everyone Belongs.

Make new friends; expand your network to the world; discover that you are not alone; learn new skills; explore facilitation, graphics, and listening practices underneath Person Centred Planning approaches including Circles, MAPs and PATH. There are many good reasons to come to the Toronto Summer Institute, including thinking, eating and learning with friends.

Join our Learning Marketplace
You decide what YOU want to learn or share

A remarkable cast of co-creators will include **Judith Snow**, **Tom Kohler** telling stories of inclusion, **Alan Sloan** helping us to be present through Mindfulness, **Jack Pearpoint**, **Lyda Kahn** - and more...

Where to Go..
Below you will find links for the Ryerson University MAP. Click on Pitman Hall and you will find us at TSI2012. There are also a couple of links for 'eating in Toronto'. You can eat in virtually any country in the world somewhere in the city - so come prepared to explore.. the world with us this summer.
