

PLAYFAIR Activities for Secondary Students

Get creative. Your Playfair team will make a real impression on your peers, parents and community so take some time to develop a presentation that will wow them. Don't be afraid to invite local media to your events.

Here are some ideas that other schools have come up with.

ART EXHIBIT

Create an exhibit depicting artwork that expresses issues of Disability, Social Justice and Inclusion. Invite other students not involved with Playfair to submit artwork.

VIDEO or AUDIO INTERVIEWS

Conduct interviews with other students in your school discussing issues relating to Disability, Social Justice and Inclusion and edit short clips together to be played on the school announcements or displayed on the in-school television system.

MUSIC VIDEO or PERFORMANCE

Create a song or find a song that deals with issues of Disability, Social Justice or Inclusion. Perform the song at an assembly or in the cafeteria. How about creating a slide show to be displayed behind the singers? This could easily be developed into a video presentation. Ask the AV club for help.

POSTER CAMPAIGN

Design and create a poster campaign and blanket your school with posters for a designated period. Support this campaign with school announcements.

PEACE GARDEN & MEETING PLACE

Create a Peace Garden in your school and invite students to use it as a place to meet others. Have your Playfair Team volunteer to spend time at the Peace Garden to introduce and connect students. The Peace Garden can be used throughout the year for displays and other short presentations.

WRITE, CREATE & PRESENT SKITS OR PLAYS

Focusing on Disability, Social Justice and Inclusion, develop skits or plays that will challenge your audience and increase their awareness of the issues.

ORGANIZE AN EVENT OR SPECIAL DAY

Create a theme like *Meet Someone New Day* or *Peace Pizza Day*. Your Playfair team can organize it and create activities to involve your student body.

These are a sampling of ideas to get you thinking creatively. Good luck with your Playfair Team and don't forget to check our website for more tips. (www.inclusion.com)
